

FilterDerivative::input

```
graph LR; A[FilterDerivative::input] --> B[FilterDerivative::output]
```

A diagram showing a flow from left to right. On the left is a gray rectangular box with a black border containing the text 'FilterDerivative::input'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box with a black border on the right. This second box contains the text 'FilterDerivative::output'.

FilterDerivative::output
